Description

Often when you're dragging and dropping a report item in the report designer, you get NPEs spewing on the console. This is a been an issue for a long time and it doesn't cause problems, but it can be annoying.

History

#1 - 01/31/2011 05:54 PM - Derik Barseghian

This seems to be caused by dragging a report layout item over a text-area.

#2 - 06/20/2011 04:25 PM - Derik Barseghian

This no longer happens.
