

Kepler - Bug #5168

'ant change-to' fails at r25610

09/01/2010 09:49 AM - Daniel Crawl

Status:	Resolved	Start date:	09/01/2010
Priority:	Normal	Due date:	
Assignee:	Chad Berkley	% Done:	0%
Category:	build system	Estimated time:	0.00 hour
Target version:	Unspecified	Spent time:	0.00 hour
Bugzilla-Id:	5168		

Description

1. ant change-to -Dsuite=kepler

Buildfile: build.xml

change-to:

[change-to] Retrieving modules....

[change-to]

[change-to] The module kepler already exists.

[change-to] The module outreach already exists.

[change-to] The module apple-extensions already exists.

[change-to] The module r already exists.

[change-to] The module loader already exists.

[change-to] The module actors already exists.

[change-to] The module directors already exists.

[change-to] The module opendap already exists.

[change-to] The module dataturbine already exists.

[change-to] The module ecogrid already exists.

[change-to] The module authentication-gui already exists.

[change-to] The module module-manager-gui already exists.

[change-to] The module gui already exists.

[change-to] The module authentication already exists.

[change-to] The module repository already exists.

[change-to] The module job already exists.

[change-to] The module io already exists.

[change-to] The module ssh already exists.

[change-to] The module data-handling already exists.

[change-to] The module sms already exists.

[change-to] The module component-library already exists.

[change-to] The module util already exists.

[change-to] The module event-state already exists.

[change-to] The module core already exists.

[change-to] The module common already exists.

[change-to] The module module-manager already exists.

[change-to] The module configuration-manager already exists.

[change-to] The module kepler-tasks already exists.

[change-to] The module ptolemy already exists.

[change-to]

[change-to] Changing the value of modules.txt

[change-to] java.io.FileNotFoundException: /Users/crawl/KeplerData/kepler.modules/build-area/current-suite.txt (No such file or directory)
