Target version:	Postpone		**Spent time:**	0.00 hour
Bugzilla-Id:	525			

Description

Need to develop some example methods that illustrate the typical procedures employed in the field in ecology. THese should range across several types of field ecology, and should be detailed enough to show the important characteristics of the protocol in terms of implementing an efficient data entry system.

Each of Carol, Matt, Mark, and Eric agreed to develop some of these descriptions and will check them into CVS for use by the developers as test cases.

History

#1 - 03/11/2005 11:06 AM - Matthew Brooke

reduced priority - not needed for 1.0.0beta1

#2 - 08/26/2005 11:29 AM - Matthew Brooke

end of grant cleanup. Postponing
