

Kepler - Bug #5306

Report designer - make dynamic report item label textfields smaller

02/14/2011 02:24 PM - Derik Barseghian

Status:	New	Start date:	02/14/2011
Priority:	Normal	Due date:	
Assignee:	Derik Barseghian	% Done:	0%
Category:	reporting	Estimated time:	0.00 hour
Target version:	Unspecified	Spent time:	0.00 hour
Bugzilla-Id:	5306		
Description			
If the 4 textfields on dynamic report items were slightly smaller, it'd be more apparent that they're textfields.
