

## Kepler - Bug #5360

### changes to a sensor parameter might not take effect until next current sample

03/30/2011 01:27 PM - Derik Barseghian

<b>Status:</b>	Resolved	<b>Start date:</b>	03/30/2011

<b>Target version:</b>	sensor-view-0.9.0	<b>Spent time:</b>	0.00 hour
<b>Bugzilla-Id:</b>	5360		
<b>Description</b>			
if you change e.g. the sampling rate of a sensor, the sensor won't immediately change to the new rate, it will change the next time it samples. This can mean having to wait a long time to see the change. Also, we're not sure if you actually have to wait for the next sample to come through for the change to actually take effect.			

### History

---

**#1 - 04/18/2011 03:39 PM - Daniel Crawl**

Fixed in both span and simulator.

**#2 - 03/27/2013 02:30 PM - Redmine Admin**

Original Bugzilla ID was 5360
