| Description | | | |
| This demo seems to get stuck at preinitializing. | | | |

History

#1 - 03/27/2012 07:49 PM - Derik Barseghian

This workflow no longer got stuck at preinitializing, but gave an error from the Expression actor trying to use < operator on an array. Added an Array Element to extract out the datapoints and made a few other tweaks.
