SciencePipes - Bug #5468

produce dynamic charts

08/16/2011 01:01 PM - Derik Barseghian

Status:	New		**Start date:**	08/16/2011
Priority:	Normal		**Due date:**	
Assignee:	Derik Barseghian		**% Done:**	0%
Category:	general		**Estimated time:**	0.00 hour
Target version:	DRD project end		**Spent time:**	0.00 hour
Bugzilla-Id:	5468			

Description

Switch to using new version of Google Charts API or some open-source alternative to produce interactive chart results. This enhancement may be out of scope, but would be nice.

History

#1 - 11/07/2012 02:45 PM - Derik Barseghian

I forgot about this old request, I didn't do anything towards interactive charts. We do have interactive tabular results now though.
