<b>Bugzilla-Id:</b>	5544		
<b>Description</b>			
The text of the footer of the output page is black and can be read when a user click TPC workflow/status menu.			

### History

#### #1 - 12/07/2011 01:12 PM - Jing Tao

It turns out that the TPC workflow/status use another set of css and jsp files. I use the the way of home page to replace them. Those footer2,header2 files were removed.
