

Kepler - Bug #5558

Add kepler-tasks target to build.xml and use depend in kepler-tasks.xml

11/30/2011 07:52 AM - dhogan dhogan

Status:	New	Start date:	11/30/2011
Priority:	Normal	Due date:	
Assignee:	Derik Barseghian	% Done:	0%
Category:	build system	Estimated time:	0.00 hour
Target version:	Unspecified	Spent time:	0.00 hour
Bugzilla-Id:	5558		

Description

The attached patch adds a new target, kepler-tasks, to run 'ant -f kepler-tasks.xml'. It also uses depend to avoid forcing a clean before recompiling.
