

Kepler - Bug #5600

Import Site Layout performance is poor for many connections at once

05/07/2012 04:11 PM - Derik Barseghian

Status:	New	Start date:	05/07/2012
Priority:	Normal	Due date:

Target version:	sensor-view-1.x.y	Spent time:	0.00 hour
Bugzilla-Id:	5600		
Description			
During a recent workshop I had ~25 people at once try to Import Sensor Site from one SPAN host running on my macbook. I believe the Site Layout appeared eventually for everyone, but there was a very long wait until they began to appear -- I'd say it may have taken 5 minutes before everyone's layout appeared.
