

Kepler - Bug #5679

the workflows in sensor-view should be resaved beneath sensor-view-0.9.0 so users aren't prompted to force open them

08/15/2012 06:28 PM - Derik Barseghian

Status:	In Progress	Start date:	08/15/2012
Priority:	Normal	Due date:	
Assignee:	Derik Barseghian	% Done:	0%
Category:	sensor-view	Estimated time:	0.00 hour
Target version:	sensor-view-1.x.y	Spent time:	0.00 hour
Bugzilla-Id:	5679		
Description			
Now that sensor-view-0.9.0's suite list is finalized, the sensor-view demo workflows should be saved beneath it instead of trunk. Verify dataturbine addresses used therein.			
Move the archive workflow into demos too. Check if any documentation refers to its current path.			

History

#1 - 08/16/2012 01:21 PM - Derik Barseghian

I've made various minor workflow improvements, resaved beneath 0.9.0, moved out workflows better located in DT module dir. I updated sensor-view doc to refer to new location of archive workflow.

Close bug once sensor-view-0.9.0 is recreated to include these sensor-view-0.9 changes.

#2 - 08/30/2012 05:34 PM - Derik Barseghian

Moving to 1.x.y target.
