Category:	morpho - general	Estimated time:	0.00 hour
Target version:	1.2	Spent time:	0.00 hour
Bugzilla-Id:	573		
<b>Description</b> If you search for something, then click "Revise Search" to reopen the search dialog, the butterfly starts flapping in the search results window. If you then hit "Cancel" in the dialog, you are returned to the search window, but the butterfly keeps on flapping forever. Need to turn it off.
