

## Morpho - Bug #5738

### Refactor ping/connection status to use DataONE api

11/20/2012 11:45 AM - ben leinfelder

<b>Status:</b>	Resolved	<b>Start date:</b>	11/20/2012
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	ben leinfelder	<b>% Done:</b>	0%

<b>Target version:</b>	2.0.0	<b>Spent time:</b>	0.00 hour
<b>Bugzilla-Id:</b>	5738		
<b>Description</b>			
Morpho checks if you have a connection to the network server and displays this in the UI (checking periodically). I think we can accomplish this with the MNCORE.ping method.

### History

#### #1 - 11/21/2012 02:22 PM - ben leinfelder

Now checking MN ping but only when there is a certificate/profile change. It is not on a recurring timer.

#### #2 - 11/21/2012 03:11 PM - ben leinfelder

skipping the ping-every-30-second implementation since it's not clear why we would need it.

#### #3 - 11/21/2012 04:06 PM - Jing Tao

we have an icon in morpho frame to indicate if the morpho is connecting to the server or not.

So the ping is the way to check.
