

VegBank - Bug #576

Review recently loaded plants 2002 data

08/28/2002 08:45 PM - John Harris

Status:	Closed	Start date:	08/28/2002
Priority:	Normal	Due date:

Category:	misc	Estimated time:	0.00 hour
Target version:	1.1.0	Spent time:	0.00 hour
Bugzilla-Id:	576		
Description			
On August 26, the 2002 (version 3.5) usda plants list was loaded (~200K plants) to the VegBank System and mapped onto the 1996 USDA Plants Data. Using the existing plant taxonomy query tools, the 2002 plants should be checked to validate that the data were correctly loaded.
