Target version:	2.0.0	Spent time:	0.00 hour
Bugzilla-Id:	5767		
Description			
The order type of "denyFirst" in the access rules is ignored in the current Metacat release. We need remove this option in Morpho as well.			

History

#1 - 12/12/2012 03:26 PM - Jing Tao

The "denyFirst" radion button was removed from the access page.

If users edit the access rule on a existing eml document which had the "denyFirst" order type. The order type will be changed to "allowFirst" and users will be given a warning message to check the rules.
