

Morpho - Bug #5786

Open command only shows the local packages even though the user has logged in

01/17/2013 11:28 AM - Jing Tao

Status:	Resolved	Start date:	01/17/2013
Priority:	Normal	Due date:

Target version:	2.0.0	Spent time:	0.00 hour
Bugzilla-Id:	5786		
Description			
If the user clicked the Open button, the dialog only shows the local data packages even the user has logged in. I believe it should show the both data packages.

Somehow, the open command only search the local. I have to specify the open command to search the network as well in the OpenFileDialogCommand class.
