

EML - Bug #584

RC1 release preparation tasks

09/06/2002 03:36 PM - Matt Jones

Status:	Resolved	Start date:	09/06/2002
Priority:	Normal	Due date:	
Assignee:	Matt Jones	% Done:	0%
Category:	eml - general bugs	Estimated time:	0.00 hour
Target version:	EML2.0.0rc1	Spent time:	0.00 hour
Bugzilla-Id:	584		
Description			
Need to regenerate all png images for the RC1 release.			

History

#1 - 09/09/2002 02:52 AM - Matt Jones

This bug is used to track minor administrative tasks that must be completed for the RC1 EML release.

Also need to do for the RC1 release:

- 1) update the README for the RC1 release.
- 2) Make sure list of contributors is correct.
- 3) add EML project members and project description to the spec, citing the ecoinformatics.org charter.
- 4) Revise the index.html page to link to project members and describe method for becoming a project member.

#2 - 09/13/2002 01:01 AM - Matt Jones

OK, finished the release task items 1, 2, 3, and 4 in this bug, so the documentation is largely complete.

Still need to:

- 0) Regenerate all relevant png images
- 5) Sanity check the FAQ
- 6) Resolve problems with having two default.css files (one in style)
- 7) make sure eml-dependencies.html is linked in to docs
- 8) Remove extraneous test.xsd and test/test* docs that were added temporarily

#3 - 09/13/2002 04:01 PM - Matt Jones

All release prep tasks completed. Ready to build the RC1 release. FIXED.

#4 - 03/27/2013 02:14 PM - Redmine Admin
