History

#1 - 07/09/2013 09:48 AM - ben leinfelder

- Status changed from New to Closed

First pass at the service aspect of this is complete. This does not include the actual XSLTs required to return structured HTML.

#2 - 07/09/2013 01:52 PM - ben leinfelder

- Subject changed from Design and implement "get view" service as a REST endpoint to Implement "get view" service as a REST endpoint
