History

#1 - 10/03/2013 12:46 PM - ben leinfelder

- Status changed from New to In Progress

- Assignee set to ben leinfelder

Added code to remove from the queue when responding to the add event. Testing now.

#2 - 10/03/2013 09:54 PM - Jing Tao

- Status changed from In Progress to Resolved

I installed a metacat from the 2.2.0 branch. It works very well for the reindex action.

I also deleted the solr index data and restarted tomcat 5 times. It works good. So I close the bug.
