

Morpho - Bug #612

remove all metacat terminology

09/30/2002 01:48 PM - Matt Jones

Status:	Resolved	Start date:	09/30/2002

Target version:	1.2	Spent time:	0.00 hour
Bugzilla-Id:	612		
Description			
Morpho still has portions of the UI that refer to Metacat -- need to change this to "Network" terminology instead.			

History

#1 - 10/02/2002 08:18 AM - Dan Higgins

Carried out a global search for 'metacat' across all Morpho source files and replaced all instances of 'metacat' that appear in GUI components (i.e. labels and buttons) with 'network'.

Note that instances of 'metacat' within error messages (and comments) were not changed.
