Description

When using IE 10 I cannot login using the metacatui (but can in Chrome on the Mac using the same username/password).

In the apache error log:

```
[Fri Oct 04 16:56:59 2013] [error] [client 128.111.220.119] Premature end of script headers: regis
ter-dataset.cgi, referer: http://dev2.nceas.ucsb.edu/#share
```
