<b>Description</b>			
Searching from the navbar should clear the current search model and trigger a new search with that one term only			

History

#1 - 10/09/2013 02:04 PM - Lauren Walker

- Status changed from New to Resolved

Now when a user enters a value in the navbar search input the current search model is reset to default, the new term is added to the 'all' attribute (searched in all), and a new trigger is searched.
