| Target version: | 2.2.1 | Spent time: | 0.00 hour |
| Bugzilla-Id: | | | |
| Description | | | |
| This has been changed to just be the hostname only. | | | |
| The metacat.properties file on the Gulfwatch server is also now just hostname/#view.. (removed "/metacatui") | | | |

History

#1 - 10/15/2013 06:47 AM - ben leinfelder

- Target version set to 2.2.1

This should be included in the upcoming patch release.

#2 - 10/15/2013 10:33 AM - ben leinfelder

This is in the 2.2 branch.
