| <b>Description</b>  |                |                        |            |
| Clicking on the toolbar "Save" icon, and clicking on the file menu "Save" item brings up different dialog boxes that seem to elicit different behaviors from the application. |                |                        |            |

### History

---

#### #1 - 09/26/2000 09:10 AM - Dan Higgins

Toolbar and Menu 'Save to database' functions are now identical. Both bring up screen which integrates insertion, access control, etc.

#### #2 - 09/26/2000 09:26 AM - Dan Higgins

toolbar and Menu 'Save to database' functions are now identical. Both bring up screen which integrates insertion, access control, etc.
