

MetacatUI - Task #6539

Feature # 6495 (Resolved): Visualization of certain data files types

Task # 6509 (Resolved): Display images in the metadata view

Do not preload all images in the lightbox gallery

04/25/2014 11:51 AM - Lauren Walker

Status:	Resolved	Start date:	04/25/2014
Priority:	Normal	Due date:	
Assignee:	Lauren Walker	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	1.7.0	Spent time:	0.00 hour
Description			
When there are multiple images, especially multiple large images, in the lightbox gallery, all image in the gallery are preloaded. This causes opening even one image to take several seconds.
