History

#1 - 09/15/2014 02:36 PM - Lauren Walker

- Subject changed from *resourceMap field is not indexed after uploading a package by morpho* to *resourceMap field is not indexed*
- Status changed from *New* to *Resolved*
- Assignee set to *Lauren Walker*

This is referring to the triple model/graph name, which is sometimes a URI starting with <http://>. They are now created with all lowercase letters.
