Description

While the v2 MNodeService class has implemented the MNStorage.updateSystemMetadata() method, when attempting to call this REST endpoint:

```
PUT /metacat/d1/mn/v2/meta
```

we get a 500 ServiceFailure from MNresourceHandler. The resource handler is handling the GET method for this endpoint, but not the PUT method, and needs to be updated to call MNodeService.updateSystemMetadata().

History

#1 - 02/12/2015 12:06 PM - Chris Jones

- Description updated

#2 - 02/12/2015 03:26 PM - Jing Tao

It seems that v2 CNResourceHandler doesn't have the ability either.

#3 - 04/10/2015 10:43 AM - Jing Tao

The PUT for MN is done and tested.

#4 - 04/10/2015 11:05 AM - Jing Tao

- Status changed from New to Resolved

- Target version set to 2.5.0

PUT for CN is done and tested.
