## History

**#1 - 08/27/2015 09:42 AM - Lauren Walker**

*- Status changed from New to Resolved*

*- translation missing: en.field_remaining_hours set to 0.0*

Apps listed (let me know if anything is missing)
Morpho
R Client
Matlab Client

**#2 - 08/27/2015 10:19 AM - Matt Jones**

*- Estimated time set to 0.00 h*

Of course, none of those yet actually support the token.  So we'll have to watch the timing of the release of these things.  Probably easiest to add to the R client as a starter (although it doesn't support the V2 API yet).

**#3 - 08/27/2015 10:24 AM - Lauren Walker**

I've noted that they are "Coming soon" - we can turn off all the token features in the URL until they are actually supported by an app though
