Category:		Estimated time:	0.00 hour
Target version:	1.8.0	Spent time:	0.00 hour
Bugzilla-Id:			
Description			
Usability team commented that the info in the rollover was not very helpful. I'm unsure whether the map moving to that location on rollover worked for them..

- Status changed from New to Rejected

After a discussion, it seems to be good enough for now. I made some changes that hopefully make it less confusing. We will see what user testing concludes
