Bugzilla-Id:				

Description
It would be nice if the Kepler language actors had syntax highlighting. Attached is an updated TextEditorConfigureFactory.

History

#1 - 09/09/2015 04:45 PM - Christopher Brooks

- Assignee changed from Christopher Brooks to Daniel Crawl

#2 - 09/11/2015 11:11 AM - Daniel Crawl

- Status changed from New to Resolved

Thanks for the merge.
