Target version:	2.0.0	Spent time:	0.00 hour
Bugzilla-Id:			

Description

This bug was shown to me by following these steps:

- Click on tile to zoom in multiple times, so that there is one tile with a count of "1"
- Click on the tile and the popover box displays correctly (with 'Datasets located here...')
- Uncheck the map filter (the checkbox for 'limit my search to the map')
- The map is refreshed and the popover box does not display after clicking

History
