Description			
The term "Schema URL" that we made up for a label in the mde Options dialog box could be changed to "System ID" because that is what it represents -- the URI to the DTD on the local system.			

History

Lowered priority because we might drop MDE and replace it with another editing solution.

#2 - 06/29/2001 10:54 AM - Dan Higgins

No longer applicable with new Morpho design
