

MetacatUI - Task #6940

Turn off the settings panel of the user profile page in non-DataONE themes

01/13/2016 02:18 PM - Lauren Walker

Status:	Resolved	Start date:	01/13/2016
Priority:	Normal	Due date:	
Assignee:	Lauren Walker	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	1.10.0	Spent time:	0.00 hour
Description			
For now, the KNB user profiles will be just their public profile page. The user management settings and token retrieval need to be discussed more. Users can login to KNB with the LDAP accounts using the Metacat API. So they will not be able to retrieve a token from DataONE and will not be able to manage their account either.
