Category:		Estimated time:	0.00 hour
Target version:	2.0.0	Spent time:	0.00 hour
Bugzilla-Id:			
Description			
As described in the "Discover Relevant Services" scenario in the DataONE docs: https://repository.dataone.org/documents/Projects/cicore/architecture/MemberNodeServices/build/html/MNServices.html#id9 After a user searches for data, they could click a "show available services" element that would display the services available for those particular search results.			

History

#1 - 08/03/2016 10:18 AM - Lauren Walker

- Target version changed from 1.12.0 to 2.0.0
- Parent task set to #6945

#2 - 09/22/2016 07:47 AM - Lauren Walker

- Priority changed from Normal to Low
- Parent task deleted (#6945)

We decided to display only tightly-coupled services in the UI for now (@ AHM 2016)

#3 - 09/28/2016 01:36 PM - Lauren Walker

- Status changed from New to Rejected
