Description			
Hi guys,			
When we are trying to edit this package metadata https://knb.ecoinformatics.org/#view/knb.894.1 using the KNB website (uid=pellis_knb), we are getting this error:			
_Whoops!			
An error occurred. Please check the list of errors below:			
cvc-pattern-valid: Value " is not facet-valid with respect to pattern '[\s]*[\S][\s\S]*' for type 'NonEmptyStringType'.			
Failed while updating._			
Thank you for looking into this!
