<b>Description</b>			
As described in <a href="https://redmine.dataone.org/issues/7810">https://redmine.dataone.org/issues/7810</a> , add an 'Expect: 100-continue' HTTP header to all requests being sent to MNs or CNs in the MetacatUI client.			

History

#1 - 05/17/2016 04:27 PM - Lauren Walker

After doing some research, I can't find a way to set the "Expect" header in the XHR object without the browser blocking it, via the W3C XHR specs - [https://www.w3.org/TR/XMLHttpRequest/#the-setrequestheader\(\)-method](https://www.w3.org/TR/XMLHttpRequest/#the-setrequestheader()-method)
