Target version:		Spent time:	0.00 hour
Description			

History

#1 - 12/16/2016 08:40 AM - Lauren Walker

- Parent task changed from #7105 to #7040

#2 - 12/16/2016 08:45 AM - Lauren Walker

- Status changed from New to In Progress

System metadata that is retrieved from a member node can now be edited and updated.

Still need to work on serializing new system metadata and creating on MN.
