Description			
I've attached an image showing that the data table icon (data-table.png) is truncated in the search results. I expected the image to not be truncated.			
Reproduced only on my copy of Chrome, 53.0.2785.143 (64-bit). Looks fine in Firefox and Safari. Can you reproduce?			

History

#1 - 11/21/2016 10:39 AM - Lauren Walker

- Status changed from New to Rejected

I'm unable to reproduce
