

MetacatUI - Task #7152

Identifier filter should search the 'documents' and 'resourcemap' fields too

11/03/2016 02:39 PM - Lauren Walker

Status:	Resolved	Start date:	11/03/2016
Priority:	Normal	Due date:	
Assignee:	Lauren Walker	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	1.12.3	Spent time:	0.00 hour
Description			
Currently it just searches the id field which only matches against metadata
