<b>Description</b>			
<p>Generally, external links on the View Service page open in a new tab, utilizing the HTML5 target attribute. I just noticed that the links to ORCID profiles do not. This was my mistake back when I added the feature. We should fix this!</p> <p>Note: This applies only to EML documents at the moment.</p>			

### History

#### #1 - 10/20/2017 03:30 PM - Bryce Mecum

I fixed this in 10432

#### #2 - 10/20/2017 03:31 PM - Bryce Mecum

- *Category set to metacat*
- *Status changed from New to Resolved*
- *Assignee set to Bryce Mecum*
