History

#1 - 01/14/2003 12:46 PM - Michael Lee

What is the current status of the validation process? Plots will fail and you'll get a receipt saying what failed, minimally. Not sure that the FULL validation process without submitting plots is a high priority, given all the other things that need doing. This is something that needs discussion, I think.

#2 - 01/14/2003 12:58 PM - Michael Lee

on the later side of 1.0.0

#3 - 04/23/2003 01:21 PM - Michael Lee

contained fully in 775

- This bug has been marked as a duplicate of 775 ***

#4 - 01/31/2005 02:54 PM - Michael Lee

changed from components that are to be deleted to "misc" so that bugs don't get deleted with component. Sorry for all the email.
