Description

Method setAttrTable(...) in class AttrEditFrame.java presently doesn't check
whether Enumeration dtdAttrDeclsEnum has elements in it. Make sure it does.

History

#1 - 08/20/2000 08:46 PM - Matt Jones

moved bug to dmanclient product.

#2 - 09/28/2000 12:33 PM - Matt Jones

reassigned to jones

#3 - 09/29/2000 06:40 PM - Matt Jones

Checked. This enumeration is now checked for values before being used to
populate the attributes table. Resolving bug.
