History

#1 - 01/08/2003 09:11 PM - John Harris

No idea what this bug refers to.

#2 - 01/14/2003 02:42 PM - Michael Lee

This bug refers to the yet undeveloped new query form that picks certain fields of interest to an ecologist and allows the user to query. The current query page works great, but it doesn't contain (necessarily) the final fields that should be in the simple query form.

#3 - 04/23/2003 02:36 PM - Michael Lee

just one bug, pass it along as next person needs to work on it

- This bug has been marked as a duplicate of 863 ***

#4 - 01/31/2005 02:52 PM - Michael Lee

changed from components that are to be deleted to "misc" so that bugs don't get deleted with component. Sorry for all the email.

#5 - 01/31/2005 02:52 PM - Michael Lee

changed from components that are to be deleted to "misc" so that bugs don't get deleted with component. Sorry for all the email.
