

Monarch - Bug #983

iteratively process input data

02/06/2003 02:48 PM - Matt Jones

Status:	Resolved	Start date:	02/06/2003
Priority:	Immediate	Due date:

Target version:	2.0.0Alpha2	Spent time:	0.00 hour
Bugzilla-Id:	983		
Description			
Need to be able to use all possible combinations of inputs when feeding a pipeline rather than having the user choose. This lets us generate, for example, all of the bivariate combinations of numerical variables in a table.			

History

#1 - 02/06/2003 02:50 PM - Matt Jones

Also, need to be able to choose a subset of the inputs rather than all of them.

#2 - 03/31/2003 09:13 AM - Rich Williams

You can now select inputs data fields for a single variable and monarch will iterate across all input data combinations
