

## Metacat - Issues

Estimated time: 0.0

| #    | Tracker | Status   | Subject  | Estimated time |
|------|---------|----------|--|----------------|
| 3761 | Bug     | Closed   | Add ability for admin user to log out  |                |
| 6066 | Task    | Closed   | Add email verification for new accounts  |                |
| 6096 | Task    | Closed   | Add reCaptcha library instructions to admin docs                                   |                |
| 6065 | Task    | Closed   | Add reCaptcha widget to initial registration page                                  |                |
| 5932 | Task    | Closed   | Allow use of PID (or docid) using cgi-registry modification form                   |                |
| 5931 | Task    | Closed   | Allow use of PID (or docid) using Metacat API "read" action                        |                |
| 6081 | Task    | Closed   | Build metacatui.war in Metacat bundle  |                |
| 6087 | Task    | Closed   | Change all default configurations to use new context                               |                |
| 5917 | Task    | Closed   | Create NCEAS search form that uses SOLR instead of pathquery                       |                |
| 5916 | Task    | Closed   | Create resultset-solr.xsl  |                |
| 6054 | Bug     | Closed   | dataPackage.xxxx.zip BagIt package is unzipped as "bag"                            |                |
| 6062 | Story   | Closed   | Deprecate skin configuration   |                |
| 5935 | Task    | Rejected | Display the PID not the docid in the rendered metadata                             |                |
| 6061 | Bug     | Closed   | Ensure that all packages from metacat API have resource map                        |                |
| 6113 | Task    | Resolved | Getting "Bad header" error when similar accounts are present                       |                |
| 6077 | Feature | Rejected | Include new instructions for modifying themes in the Metacat admin documentation   |                |
| 5647 | Bug     | Closed   | Lack of access rights for "previous" datafile prevent saving                       |                |
| 6115 | Task    | Resolved | ldapweb.cgi - default configuration should use o=unaffiliated                      |                |
| 6063 | Story   | Closed   | ldapweb.cgi enhancements   |                |
| 2635 | Task    | Closed   | Look up for forgotten KNB account names  |                |
| 6098 | Task    | Closed   | Make reCaptcha work with AJAX include  |                |
| 6064 | Story   | Closed   | Metacat bundle packaging   |                |
| 6100 | Bug     | Closed   | Metacat search does not work for Chinese characters                                |                |
| 6101 | Bug     | Closed   | MN.update() fails but modifies revision chain                                      |                |
| 6075 | Feature | Closed   | Modify Metacat admin documentation so that it uses the chosen theme in the browser |                |
| 3306 | Task    | Closed   | NCEAS skin account creation needs more thought                                     |                |
| 6086 | Bug     | Closed   | publish service call fails to authenticate properly                                |                |
| 6069 | Task    | Closed   | Pull metacatui from public Git repo into Metacat                                   |                |
| 6095 | Task    | Closed   | Pull metacatui from specific tag   |                |
| 1311 | Bug     | Closed   | Registry: Links should open in a new window and windows should move to front       |                |

| #    | Tracker | Status   | Subject  | Estimated time |
|------|---------|----------|--|----------------|
| 6117 | Bug     | Resolved | Reindexing (action=reindex) only works once  |                |
| 6089 | Feature | Closed   | Remove index_event record when reindex is successful   |                |
| 6082 | Story   | Closed   | Rename knb.war to ????.war   |                |
| 6094 | Bug     | Closed   | Replace all screenshot images in the documentation with screenshots of the new documentation style |                |
| 5812 | Bug     | Closed   | Rework default skin[s] to use SOLR query   |                |
| 6092 | Feature | Closed   | Science Metadata DOIs should point to "view" landing page  |                |
| 6085 | Bug     | Closed   | SQL error when inserting EML beta2 access document   |                |
| 6067 | Task    | Closed   | Update documentation to reflect the new metacatui theme mechanism                                  |                |
| 6088 | Task    | Closed   | Update documentation to use new context name   |                |
| 6080 | Feature | Closed   | Update Metacat admin screen using cues from the new default look and feel                          |                |
| 6068 | Task    | Closed   | Update Metacat skin admin screen   |                |
| 5915 | Task    | Closed   | Use MN.query(solr) in NCEAS skin   |                |
| 6128 | Story   | Closed   | Wait for MetacatUI 1.1.0 release   |                |
